SUBJECT: Almamet Shipments – Attached Fax from Gertraud

Chris Crose was not in today and I spoke with Rochelle.

The shipment to Rotterdam (Hansa Century) of March 17 was delayed twice. It actually shipped today (4/13) and will arrive April 24. Almamet will get the original bills early next week.

The shipment to Istanbul (Caribbean Sea) sailed March 4 but did not go to Istanbul. It went to Rotterdam and arrived on March 15. Rochelle said the original file said Istanbul, but it was changed to Rotterdam. Paperwork was sent UPS to Monika at Almamet on March 9. The tracking number was 1Z6V27606641517802.

Rochelle will have Chris call Jackie tomorrow to try to straighten this out.
